The 5 Immutable Laws Of Sales

DID YOU KNOW?

Salespeople have three major fears:
Fear of rejection
Fear about discussing price
Fear to ask for the sale

BENEFITS

Increased Sales
Increased self-confidence
Be in control of your presentations
Gain the ability to say NO
Create a willingness in others to buy

RESULT

Understanding the 5 Laws of Sales will put you in absolute control of your sales process. You will effectively overcome objections and close more sales.

TIMELESS SALES TRAINING

This workshop is not about the law of large numbers, useless one liners, or outdated sales tricks. This workshop is hands-on, interactive and relevant.

YOU WILL LEARN:

- How to capture the decision maker's attention
- How to qualify the prospect effectively
- How to handle objections before they arise
- How to uncover, create and recognize buying signals
- How to create the desire to buy
- How to effectively close a sale
